# Why Novated Leasing?

A Novated Lease brings your taxable income down by bundling your car payments pre-tax, meaning more money in your pocket!

## How It Works

A Novated Lease is a three-way car finance agreement between you, Queensland Government and Alliance Leasing.

It enables you to bundle all your car running costs into one regular, ongoing, tax-effective payment.

By doing this, you could save thousands.

As an approved Panel Member, Alliance Leasing can now provide you excellent service via your Salary Packaging Administrator

## Accelerate Your Savings

In a Novated Lease there are many ways Alliance Leasing can help you save.

- \$ Alliance Leasing have no management fees, no entry fees, no exit fees, no procurement fees and no fuel card fees.
- \$ Fleet discounts on servicing.
- \$ No GST on the purchase price and running costs of the car.
- \$ Complimentary access to our vehicle maintenance program to save on servicing and tyres.
